Request the Circumstances, stated sanction
to the an expenditure of Rs 29,976 incurred by
the Mandya Dnn Dist Council for certain items, viz

The excess expenditure ^{which} is stated
to be within the sanctioned budget and was
inevitable. It is due to increased
expenditure ^{provision} for dearness allowance, special locality
allowance, water supply charge, and anti-malaria
operations etc. There is a provision of
Rs 17,500 under C. Public Works, I and Rs 5,000
under D. Public Works, (1) original work in the
sanctioned budget of the Mandya Dnn Dist for
the year 1942-43. The expenditure has already

Returned with compliments

The Reappropriation proposed by the Municipal Council relate to the year 1942-43 and as the year has already closed, no reappropriation can be authorised now

Such of the items of expenditure as were inevitable and were actually incurred may however be considered to have been met out of the closing balance of the Municipality and sanctioned though previous sanction of competent authority should have been obtained in each case, before incurring the expenditure

It is highly irregular on the part of the Municipal Council to have continued the Anti-Malaria work during the year 1942-43, without obtaining the required previous sanction of Government thereto as pointed by the Deputy Commissioner and the expenditure incurred irregularly on it cannot therefore be treated as inevitable

Re 1697 of re respect of the copy incurred
in certain items by the manager handled
during 1943. The controller states
that the copy may be considered a bonus
been met out of the closing balance of
1943, as no appropriation
possible after the closing of the year. He
also considers that the copy incurred
without proper authority is - illegal.

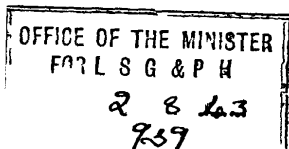

I submit for record in accordance with
the above opinion with observations
submitted for the
Lawyer for 31743

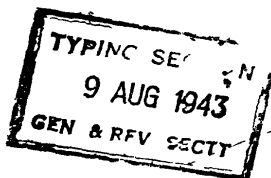

It was no doubt irregular
to have continued the audit without
the sanction of the Govt, but it was inevitable.
The excess may be considered
to have been met out of the
closing balance & sanctioned.

was sanctioned only for 2 years and fresh sanction of Government was not obtained for its continuance during 42-43. The Municipal Council in anticipation of getting grant from Sugar Factory and Government (K R S Funds) incurred an expenditure of Rs 5,500/- This exceeded the Budget grant by Rs 1500/- I request you kindly to obtain sanction of Government for this item of expenditure for 42-43.

As the excess expenditure incurred by the Municipal Council is within the sanctioned budget and as the expenditure for the items mentioned in the statement was inevitable, I request you kindly to obtain sanction of Government for the reappropriation made by the Municipal Council.

Subject - Budget grant and reappropriation statement for the year 1942- 1943

--

I have the honour to state that during this year incurring expenditure under items in excess of the sanctioned Budget of this Municipality were found inevitable as per details contained in the reappropriation statement submitted herewith for kind perusal they are chiefly attributed to the following reasons -

A2 Under establishments Dearness allowance at ~~enhanced~~ enhanced rates has been paid including the Municipal High School Establishment as per Government Order in this behalf in addition to the newly sanctioned special Locality Allowance for which provision had not been made in the Budget

E1 Antimalaria operations were continued during the year without curtailing the establishment though the Sugar Company declined payment of their quota, towards the scheme, and no aid from Government was also received

E3 Veterinary contribution to the Mandya District Board has been paid for three years, during the current year, including enhanced rate for 41-42 and 42-43

Departmental accounts, have been paid in full, up-to-date

1 Deposit account exceeded the Budget provision since several deposit amounts were adjusted towards site value

Mortality of cost towards Dearness Allowance paid to the Municipal High School Establishment has not been forthcoming. Other items do not call for any remarks. A copy of the Council resolution No 357 19th June 1943 sanctioning the reappropriation together with the statement are submitted for favour of obtaining sanction of Government thereto under the circumstances stated above
